Grades

Your course grade will be constructed based on the below rubric.

Homework: 15%	Participation: 5%
Quizzes: 50%	Final: 30%

Grades will be uploaded to canvas as assignments are graded.

I will not curve any individual assignment or quiz, but I may apply a curve at the end of the course.

Participation

This grade will include various participation-based assignments throughout the year. If attendance becomes graded it will be included in this grade.

Homework

I will only accept homework from groups. Each group must consist of 3-6 students.

Homework is due every Monday at the start of class.

Homework solutions will be posted at the end of class each Monday.

Your two lowest scores are dropped.

No makeups or separate time quizzes will be given unless you have documented accommodation. You must notify me with documentation of your accommodation before the first quiz. Accommodation for Disabilities

If you qualify for accommodations because of a disability, please submit your accommodation letter from Disability Services to your faculty member in a timely manner so that your needs can be addressed. Disability Services determines accommodations based on documented disabilities in the academic environment. Information on requesting accommodations is located on the [Disability Services website](#). Contact Disability Services at 303-492-8671 or dsinfo@colorado.edu for further assistance. If you have a temporary medical condition, see [Temporary Medical Conditions](#) on the Disability Services website.

Preferred Student Names and Pronouns

CU Boulder recognizes that students' legal information doesn't always align with how they identify. Students may update their preferred names and pronouns via the student portal; those preferred names and pronouns are listed on instructors' class rosters. In the absence of such updates, the name that appears on the class roster is the student's legal name.

Honor Code

All students enrolled in a University of Colorado Boulder course are responsible for knowing and adhering to the Honor Code academic integrity

Religious Holidays

Campus policy regarding religious observances requires that faculty make every effort to deal reasonably and fairly with all students who, because of religious obligations, have conflicts with scheduled exams, assignments or required attendance. In this class, if you choose to not attend class for these reasons you can send an email explaining you will miss class. No further information is necessary.

See the [campus policy regarding religious observances](#) for full details.
