NOTE 1: This sequence breaks Calculus I into two semesters. Grade for both courses will be averaged for overall Calculus I grade

NOTE 2: Students who have taken calculus or calculus-based physics for college credit prior to entering the NROTC Program, which their college has validated, must complete one additional three semester-hour (or equivalent) college course in each of those areas to satisfy the requirement, unless these courses were taken at an NROTC affiliated school. This course can be used in that instance only.
